

Policy 1.32 Restricting the Flow of Water

Document Number: PCY01.32

Date approved: 10/07/2019

Strategic Alignment

Key Result Area:	Customer Service
Commitment:	Excellence
Objective:	Meet all requirements of the Operating Licence and Customer Services Code of Conduct

Policy

1. Aqwest will install devices into meters to restrict the flow of water when other account recovery processes have been unsuccessful.
2. The decision to install such a device will be made jointly by the Manager Corporate Services and Accounts Supervisor.
3. Installing the devices will be at the customer's expense, i.e. a fee applies.
4. Action to restrict the flow of drinking water will not proceed against Aqwest debtors with account balances less than three hundred and fifty dollars (\$350).
5. To comply with Part 5 – Restricting the Flow of Water section of the Water Services Code of Conduct (Customer Service Standards) 2018.
6. To comply with Aqwest's Financial Hardship Policy.

Objective

- To ensure that debts outstanding to Aqwest are recovered.

Guidelines

- a) The customer will be advised in advance that the flow of water will be restricted.
- b) The customer will be advised that the flow will be returned to normal as soon as practicable after the amount owing is paid or payment arrangements satisfactory to Aqwest are made.
- c) Fees to be in accordance with the current Water Services Regulations Amendment (Fees and Charges) Regulations, Part 3 – Schedule 4.
- d) Aqwest staff will follow Part 5 – Restricting the Flow of Water section of the Water Services Code of Conduct (Customer Service Standards) 2018 and the relevant procedures when intending to reduce the rate of flow at a property.
- e) Note the Water Services Code (Customer Service Standards) 2018 sets a minimum debtor account balance of \$200. Aqwest's policy is above this requirement.

Definitions

Water Services Regulations Amendment (Fees and Charges) Regulations: annual amendments are made to the Water Services Regulations to account for annual price changes for the water corporations.
