

JOB APPLICATION PACKAGE – HSEQ COORDINATOR

About Aqwest

Aqwest is the trading name of the Bunbury Water Corporation

The Bunbury Water Board was formed in 1905 to obtain, treat and distribute water and has served the people of Bunbury for over 100 years. The move away from the historic Bunbury Water Board and the evolution of Aqwest occurred as part of the restructuring process in 1996/97.

Despite the updated image and streamlined structure, the tradition of delivering quality water at reasonable cost to the people of Bunbury continues with Aqwest.

Aqwest uses the latest technology and engineering know-how to produce and deliver high quality water for the expanding Bunbury community.

Location, Location, Location!

Bunbury is located 175km South of Perth on the beautiful South West coast of Western Australia and has an enviable lifestyle, fantastic climate, nearby wineries, outstanding restaurants and is surrounded by water on three sides including glorious beaches. It has all the modern entertainment and recreational facilities you would expect in a bustling and growing city. Bunbury has a rich pool of community and culturally diverse activities and is an exciting place to live and work.

Records Compliance Statement	Aqwest staff are legally obliged to follow Aqwest's procedures in accordance with Aqwest's Record Keeping Plan and the State Records Act 2000.
Financial Management Compliance	The employee must incur or certify within budget and purchasing authority limits in accordance with Aqwest Policies and Financial Management Procedures. i.e. issuing of orders for various items up to agreed levels in relation to the objectives of the position and the projects for which the position is responsible.

Key Responsibilities

The key responsibilities of this role include, but are not limited to, the following:

Integrated Management System

- Manage, develop, monitor and maintain the Integrated Management System (IMS) including the Aqwest's Occupational Health and Safety Management System, Environmental Management Systems and Quality Management Systems
- Partner with internal stakeholders to connect and optimise the use of the IMS
- Implement actions identified through risk management controls related to the IMS
- Oversee the maintenance and support requirements to develop and maintain the IMS

Occupational Health and Safety Management System

- Manage and oversee Safety Management Plans, including coordinating meetings, workplace inspections and conduct investigations into workplace incidents as required

Audit and Certification

- Organise external audits in accordance with Aqwest's policies and/or external requirements and implementation of any relevant recommendations, including obtaining and maintaining ISO certification
- Conduct internal audits and continuous improvement of the IMS

Leadership and Integration

- Positively participate in Aqwest processes, policies, working groups and other initiatives
- Actively encourage and facilitate continuous improvement initiatives within Aqwest

The duties contained in this Position Description are to be used as a guide for the position.

Qualifications/Certificates/Licences

- Tertiary qualification in Health, Safety, Environment and/or Quality (or equivalent skills and experience)
- Risk Management Training
- C Class Driver's Licence

Selection Criteria

The following selection criteria are identified as being required to achieve the outcomes in the context of this position. Applicants will need to provide evidence of their capability to transfer their knowledge and skills to achieving the outcomes of this position.

Essential

- Extensive experience and demonstrated knowledge using an integrated management approach to manage occupational health and safety, environmental and quality systems, standards, and legislative requirements.
- Comprehensive knowledge and experience in conducting internal audits.
- Extensive experience as a HSEQ practitioner.
- Strong ability to build relationships and lead people.
- Strong interpersonal, communication and organisation skills.
- Analytical, reporting and documentation skills.
